

Step 1:

Go to official Sendgrid website: <https://sendgrid.com/>, then click start for free.

Step 2:

Then go to Registration Page, you need to give all the details required for creating a Sendgrid account and finally click create button. The below screenshot will show the registration Process.

Welcome, Sathish!

To get up and running quickly, please follow the steps outlined below.

Send your first emails with Twilio SendGrid

Create a sender identity

Before sending email, you'll need to create a sender identity. There are [two ways](#) to do this, but we recommend creating a Single Sender to get set up quickly and test your email integration.

Create a Single Sender

Authenticate a domain instead

Your sender identity is the "from" email address your recipients will see in their inbox. [Learn more](#) about this.
